POLICY DOCUMENT ON RESEARCH PAPER PUBLICATION

1. Introduction:

A Board of Research Studies focus on academic research activities of staff and students within an organization. Its primary function is to oversee and guide research within specific disciplines, and encouraging staff and teachers to publish their research work in a leading journal.

A research publication is the process of making scholarly research findings publicly available, typically through journals, books, or other academic outlets. It allows for the dissemination of knowledge, peer review, and the advancement of scientific understanding.

2. Title: This policy shall be called as RESEARCH PAPER PUBLICATION.

3. Implementation: This policy shall come into force with effect from 26/06/2025.

4. Applicability of the policy: This policy shall be applicable to teachers and librarians employed in the institution.

5. Policies to publish research papers / articles

The staff working in the institution shall publish research papers / articles for their career advancement, professional recognition, opportunities for collaboration, increased visibility, and inspiration for future research. The guidelines for research paper publication as follows:

For PG Teachers:

- The teacher shall publish minimum two research article in the UGC-CARE list indexed journals every year, within the specified time period i.e., 1st day of August to 31st July.
- The last date of certificate submission of "first publication" shall be up to 31st January.
- The last date of certificate submission of "second publication" shall be up to 31st July.

- Non-compliance to this policy may lead to major penalties like withholding the salary or increment, promotion, etc.
- In case, if a teacher publishes more than two articles, he/she need to submit the certificates immediately to the concerned for record purpose. However, such additional research publication will not be carried forward to next year or taken in to account to adjust in the next session for concession.

For UG Teachers:

- The teacher shall publish minimum one research article in the UGC-CARE list indexed journals every year, within the specified time period i.e., 1st day of August to 31st January.
- The last date of submission of certificate shall be up to 31st January.
- In case, if a teacher publishes more than one article, he/she need to submit the certificate immediately to the concerned for record purpose. However, such additional research publication will not be carried forward to next year or taken in to account to adjust in the next session for concession.
- Non-compliance to this policy may lead to major penalties like withholding the salary or increment, promotion, etc.

For library staff:

- The library staff shall publish minimum one research article in the UGC-CARE list indexed journals within the specified time period i.e., 1st day of August to 31st January.
- The last date of submission of certificate shall be up to 31st January.
- Non-compliance to this policy may lead to major penalties like withholding the salary or increment, promotion, etc.
